Old Business

Fundraising: Those who have not paid dues, please try to get that money to me as soon as possible.

As I brought up at the last set of meetings I'm hoping to sell our decals, pencils, pens, and perhaps "enjoy life" bracelets at Homecoming. Straw poll: if anyone not in marching band or parents would be willing to help.

I have no updates on the coin/bottle thing, except that we'd probably do it on a Friday. I promise to have more information soon.

Sorry for not being able to have a committee meeting last week. For those on my committee, please don't forget about the meeting next Monday the 23rd at 6:30pm in the Bluewall.

Service: I will be distributing the trombone sleeves between those who volunteered; we're a little further behind than anticipated on finishing them. We will be flyer for the Mutlibands concert. See Steph for the flyers. MC's can get service points for flyering. We are also using our discount to put an ad in the collegian and on the radio. The music department is paying for it, but they are getting our discount. Lastly, the shelving group needs to meet tomorrow after band to take measurements.

Correspondence: Rover is coming in 3-4 weeks. If there aren't any social events that week then there will be ones scheduled. After the homecoming game on Saturday we will be going to either ABC or Bertucci's with the alumni. Also this week's assignment is to join a list serve, i.e. NED or National.

Website: I have to get a new password, but I have to go through Parks.

New Business

Service: The CFR gave us a great list with some good ideas for service projects, but mostly community service stuff. There will be no committee meeting this week, but in its place we'll be having a uniform repair night after band on Thursday in Grinnell. We also need Multibands bus greeters in the morning. It's similar to greeting buses on Band Day. On the officer evaluations please include your thoughts on how we are doing service wise and how we can improve. Lastly, thank you to MC Bogdan for the color guard box prototype.

Receptions: I spent \$40.54 on the receptions already, which is over the budget. Most of it was on apple juice which was on sale, and I have the receipts. I'll need more later to buy other reception essentials.

Groove & Funk: We had a committee meeting and we decided that we want to use music in the show this year. Part of the cadence is going to be used, and any other music we feel like. There will be a committee meeting on Thursday October 26th at approximately 8:00pm in the CC Basement. Please e-mail Danni or Karyl if you plan on attending.

Other: Please get the officer evaluations to Jasmine by band tomorrow. We also need to do the CFR evaluation quickly.
