Old Business

Fundraising: Please pay your dues if you have not already. The decals seem to be selling well, and I know of other band members who are interested in purchasing some, so I'm going to email Al Graff to see if he would be willing to include the decal fundraiser and my contact information on the website. For the enjoy life bracelets, Evren and Mr. Parks didn't think there would be as much interest for those who have not attended a leadership seminar. Since we don't want to fundraise only to the band, my committee discussed the possibility of using a written form of the story to spark interest in the general public. We were thinking of using the campus center and setting up a table (maybe during the coin drop), selling the bracelets, our decals, and our pens and pencils. The coin drop will be on the 10th and there can only be about 2 people per shift. Please sign up for a time if you can sit at the table for about an hour. To those on the fundraising committee: please don't forget about the meeting next Monday the 6th at 6:30pm in the Bluewall.

Membership: Please remember that you need to give 24hr advanced notice to be excused or to us a personal excuse. The new order of dress letters is in, they are \$14, cash or check is accepted. If you haven't paid me for the MC pins please do so soon, are give me a pin back.

Service: The uniform repair night went well. At the committee meeting this past Thursday we made a lot of progress with a lot of the projects. Allison and I will be harassing the Amherst music director. If you are in the shelves group please watch your e-mails and show up when Michelle asks you too. For the Girl Scouts project we will be helping the Girls Scouts earn a music badge. There will be anywhere between 10-40 girls attending. They will be going to different stations around FAC and then going to the Vocal Jazz concert. The date will be December 10th, it's a Sunday. Danni finally got a contact number for the Amherst community band. We'll be getting in contact with them soon. As service to them, maybe we could make a website for them off Google pages. Flyering went okay. See Step if you're in her group. The trombone sleeves will be done for the last home game which is senior day. Reverse trick-or-treating will be for alumni in the area on Halloween after band.

New Business

Fundraising: We'll be starting the Avon fundraiser soon, and I will have more information at the next set of meetings. As banquet approaches, we'll also be doing the flower fundraiser, but this year we were thinking of changing it a little. Liz had the suggestion of using different colored carnations to represent different things, like "congratulations, good luck, I'll miss you, secret admirer, friend etc."

Membership: There will be a vocal workshop for Twilight Shadows, Loyalty Song, and National Hymn on Saturday at 4:00. The correct version will be e-mailed.

Service: Straw poll if people will be interested in doing some kind of raking- I will be looking into it. MC's please make sure you're coming to me to get your service points, just a general note, please make sure you are contacting your group leaders and answering their e-mails.

Constitution: We will be doing a constitution game like jeopardy or something. Straw poll dates:
November 10th will be the date.

Groove & Funk: Straw poll days to have a committee meeting so more people can come. We are going to try and have two in a week so more people can come and participate.
