Old Business

Fundraising- Thanks to all those who helped with the coin drop fundraiser. Unfortunately, we only made \$13.11. For the enjoy life bracelets, Evren said he only wants to sell them to those that have either heard him speak or had him as a teacher, and, since we can't sell them just to the band, I don't know what else we could possibly do. We can discuss other options on Monday with the Fundraising committee if anyone has any suggestions. With banquet quickly approaching we're going to sell flowers. Carnations will come in yellow, white, or red (green was not available) and roses will just be red. The prices will be \$1 for carnations and \$2 for roses. I'm passing out sheets for all sisters to keep track of orders. Please collect cash or checks made out to Tau Beta Sigma. I'm emailing the band after meetings so we can start collecting. As for Avon, we will be getting the books as soon as possible and I'll have them before Thanksgiving (and will have them for those in hoop band on Monday. For those not in hoop band I'll meet you sometime on Monday or Tuesday if you want an Avon and/or Mark book). To those on the fundraising committee: please don't forget about the meeting on Monday the 20th.

Membership- MC's have a quiz on weeks 6 & 7 today, and sisters have a quiz on week 8. I'll be discussing attendance related things during closed. Please do your small service projects, it turns into a membership thing if you don't. Also, please make sure you are e-mailing people if you are not going to an event, even if it's not moved.

Service: Updates from all small service projects are given.

Correspondence- A copy of the publication is going around. Next Monday is the last day for articles. Also Rover should be coming here soon.

New Business

Service- We are going to try and get some people together and go caroling. Danni will be getting some music, but if anyone else has access to it feel free to get some. We may make this a joint thing. Is there anyone interested in ringing bells for the Salvation Army? I'll try and get into contact with them. Does anyone have any ideas about what we can do about the stand racks in FAC? Maybe we could get some donated. Chapter- is collecting money for St. Judes and have asked for us to donate.
