**President's Report:**

Great Job this weekend with Delaware. Thank you to Steph for handling all the things that were threw at you. I will be setting up times with each active member to see how you are doing this semester on the goals that we set in the beginning. Good job MC's; things will be getting more difficult as mid-terms come around, but it will be worth it.

Dry Cleaning:

Lauren did the dry cleaning and did a fantastic job!! This is something that we will do again next season, or perhaps later in the semester? We will see how the season plays out.

**Spirit week**

It went very well and the Clarinets won...again!!! (See out this email tonight!!)

**Uniform Pick up:**

I think that it went really well and that the band was extremely appreciative. The only problem I encountered was the pick up. We will be talking on how to make this more effective at our next committee meeting.

**Wake up with a sister:**

Not going too well. I am not sure that we should continue with this. Emailing out might be better. Something that we would like to do to continue servicing the band and there is not a whole lot of effort that goes into it. Maybe this year that it doesn't work, but we will try.

**Recycling Spray Paint Cans:**

Caity and Lauren will be trying to do this with their schedule.

**Correspondence:**

Please forward your alumni mailing to me. Danni will be sending out the October mailing and this month is National "Go on a field trip month" and we talk about our destination unknowns.

Maine really wants to come down!!! Maybe the brothers could come down too.

Delta Delta Delivers will be going out soon.
