President's Report:

Welcome MCs to your first set of meetings! Things can move more relatively fast, please pay attention and don't be afraid to ask questions or entertain motions. Great job this weekend! I know that band day can be taxing, but it truly was one of the best sounding band days we've ever had! As we move into the next 2 weeks, keep on top of your work and remember that's school, band, sorority.

Keeping the Community Warm and Fuzzy: Deadline Meetings on Oct. 12

Please go to your donut table shifts

Sister Clouse moves to make missing a donut table shift a half absence, and a drivers shift a full absence.

Sister Ziegenfus seconds.

Motion passes, 1 opposed.

Paint Cans – will need someone else to be in charge of this.

Allentown Prep Night is October 1st, will also be making bus signs that night.

Committee chairs need to send attendance. Will be on Google group soon. To clarify, are allowed 2 unexcused absences, 3 personal days, but must be submitted in writing to Jackie and Steph in 24 hrs in advance.

Will chairs be getting absences if they do not submit attendance? Yes.

Penpals – Uconn was unable to come, but will be doing penpals, list will be mailed out tonight. Also, MCs are getting penpals with other MCs. Sarah, Jill, Amanda and Steph still owe active member profiles, get them to Dana, she's not kidding.

If you have taken pictures at any event, Jackie will have a CD of data disks at the next set of meetings and you will be able to update them then.

So MC's know, there is a no laptop policy unless you are giving a report or you are Caity. Yeah. Just so you know.

New Business:

Set up a committee meeting – October 5th

Reminder about Constitution event on 10/6

Website

Things from the survey:

-Changing the name of the tab ‘Our Chapter’

-Classes in ‘Our Chapter’ going across instead of down

- The way your name is listed on the Website
- Composites
- Having the 5&8 and the purposes on the website somewhere
- Presidents Letter
- Contact info
- Greek Letter characters in places

Also, most people listed that the navigation is only Somewhat Easy, as opposed to Very Easy. Is this mostly because of the 'Our Chapter' tab? If there is more, please tell me now.

Any suggestions for "our chapter" tab? Members, turn subcategories into things on the side.

Strawpoll to only add 5&8 to the front page.

Officers, get items to Sammi.

Also want to record the songs for the website, Lauren will help with her recording studio.

Meg Burke had started putting together a family tree back to alpha class. Most is already done, will be continuing this. Is really important to have our own family tree.

Miscellaneous:

Meetings: Thank you to all of you that talked to me about having meetings earlier in the day on Sundays. Some general thoughts were:

- * Time being spent with family and other friends outside of band.
- * Scheduling, in terms of homework, and preparing better for meetings.
- * The fear that meetings will not be finished before joints and then we have meeting before and after.

After hearing these thoughts I think that it is in the best interest of this chapter to keep separates after joints. That being said, I would like to have meeting earlier one Sunday so that we can have them in FAC and give us and the brothers the option to go to each others meetings. Justin and I are really trying hard to improve both of our organizations and neither one of us have seen the others meetings.

So I would like to present two dates: Meetings would be at 2pm and we would break at 5pm, finished or not, for dinner
