Correspondence:

DD alumni/UConn pen pals: 2 people have CCed me in an email, so I'm going to assume that no one else has contacted their pen pals, which is not OK. We all have to work together to maintain good connections with our alumni and NED chapters! So please take 5 minutes out of your day to write a quick, short email to your pen pal, and please CC me in the message, to either devernde@student.umass.edu or deltadeltacorrespondence@gmail.com

MCs - contact your pen pals!

Still sorting out video chat logistics

History

Committee - We need to discuss the history night coming up. I'm going to try doing this through facebook discussion initially so we can have it planned before our first meeting, so try to watch your facebooks. Also have the data disks if anyone wants them.

~this is the same email address you should be forwarding your correspondence to. Since the blog website uses gmail, please do not log onto the gmail account, and log off when you are finished writing a message

~article assignments have been given out via the listserv, as well as northeast notes topics. if you're on my committee, please pick a topic on Google Groups document by Wednesday.

otherwise I will assign blurbs to people who are not writing an article already for DD Delivers.

~both Northeast Notes blurbs and DD Delivers articles are due by midnight on October 25th. It is imperative that you get these to me on time, because the Northeast Notes submission is November 1st. there is a committee meeting a week after to put together DDDelivers (October 29th). I have rather poor writing skills, so I'm sure you will not want the NED and alumni to suffer through reading DDDelivers!

~I also have pen pals for those that wanted them from UConn, I will send those assignments out ASAP via email.

Constitution

Mtg the 20th 9:00 18th is when corrections are due.

Song:

Scheduling a workshop, Time TBA, on the 18th

Miscellaneous:

I would like to talk to everyone about the attendance policy, according to the constitution. Section 2.1201 states that "If it is not possible to attend a Chapter meeting, Degree, or Vote, the member shall submit a written excuse to the VPM. If it is not possible to attend any other meeting or event, the member shall submit a written excuse to the person in charge. These excuses must be given at least 24 hours in advance."

This means that if you are going to miss an event moved by a chair and/ or officer you need to tell them. It is then the responsible of the chair/ officer to tell the VPM. UNLESS it's a Chapter Meeting, Degree, or Vote then you tell the VPM directly. We will be looking at this for revision.

Next set of meetings will be the halfway point for meetings so this week we will be doing chapter and officer evals and one on ones for sisters, next week.

American Composers Concert:

I was contacted by PMA and they would like us to have a 20 minute slot in the american composers concert. This can be ANYTHING, as long as it is American. If this is something that we choose to do you must be committed to this. You cannot pull out the week before because you aren't prepared. Programs will be made and times and dress rehearsal will be happening. How do we feel about this?

SAI representative – Dana is the only one who emailed, but she just wanted to be the back up, so please still email me.

The NED is looking for a new district song! I think that this is something that our chapter should try to push.
