Fundraising:

Keep doing surveys! If everyone keeps going over break especially, we'll definitely make our monthly goal of \$56. I've been tracking everyone's progress, and thank you to everyone who has been doing so well! Many of you have a 100% response level, which is amazing. Try to meet in the middle and participate as much as you can over spring break, please.

Districts! Tote bags worked out, but they're not done. I really need help finishing them, because I can't do it myself. Everyone that is going to districts is going to get a packet of 5 pens/pencils to sell. If everyone that goes can sell (at least) 5, we'll make almost \$100!

If you STILL didn't pay me for things you ordered you need to a.s.a.p. I'm sorry, but you've had far too long to get the money to me, and you don't owe the chapter – you owe me personally – which I told you from the beginning.

Still working on the the check...

Empties: Take them home and give them to people over spring break!
