Postponing Campus Center Table because Jen does not want to run a table with just one sister doing it themselves, she would prefer to do bake sale because it is

a better guarantee, it will provide a better turn around with the incoming freshmen, and it will be colder therefore people will be inside more.

We are doing it next semester; not sure on when it will be.

Bake Sale:
were doing, more details to come

Surveys! We made \$200.00. Great Job!

I have everyone's schools, thank you very much. The next step is for me to draft a letter, which is basically done! I will be giving you more information on the next step at the last set of meetings!!

Women's Shelter Drive:

We are going to continue making phone calls this week and see where we can get with this.

Project protect Music Recital:

This is going to be postponed until next semester, the beginning of it. It is a really good idea, we have enough time to incorporate into this semester.

Talk to past AVMPs. You will be doing your 3 minute speech and Q and A at the next set of meetings.

Officer Evaluations were completed. These are some things that were really good:

Strengths of the Sisterhood are:

- There is a spirit amongst the sisterhood I didn't see before, granted I don't get to see the whole sisterhood together too often, but there was a really nice bond happening in First Degree
- The bond is very strong, and I think that almost every sister would agree. We have done an outstanding job with improving ourselves as people over the course of this semester
- I can honestly say that I have seen individuals rise to that occasion, especially with such a high attendance during travel season, and that really makes me proud to be a member of delta delta.

Will not be doing recipe book. Bake sale date is May 15th

I want to create groups of people to do baking and will be assigned to a house to cook in and Jen will be giving those groups a recipe and directions on what to do (how to wrap and stuff).

G10, yellow house, or 58

Has been researching health recipes and has a few

Surveys:

We are allowed to invite people not related to TBS. Jen will be sending you a blank letter. Pick 2 people that you know and trust. Jen will be giving you details. CC Jen in any and all correspondence, that we she can inject and help you in anyway. Make sure that their full name is in the email that way Jen can see they are a legitimate name, otherwise she will not approve them. If everyone has 2 people then they will be more people helping. Look for an email this week!

Membership:

Quizzes! There are only 5 questions. Your quiz will be graded and your score will be combined and averaged. We decided not to do quizzes at Relay For Life because we needed to focus on other things.

Allison will be going over MC process at next set of meetings.

Correspondence:

We will not be doing summer correspondence with Pittsburg, but we are going to try to them with Kutztown. Danni will be talking to her to get more information. Make sure that you are forwarding Danni all correspondence.

Fall Retreat:

August 15-18

This semester we really have been trying to bond more as a group, so this is a great way to start the semester off the right way.

Business will be on Sunday August 17, 2008 because more people can make it to that. When we are travel we will be in full cars because gas is expensive.

The executive board wants to pick chairs before the summer. So please bring your letters to the last set of meetings.
